

40 YEARS OF MARATHON IN TOLEDO

The very first Glass City Marathon started and finished at the University of Toledo on June 20, 1971. Sy Mah ran the race that day, as did two Churchills (Walt Jr., a key founder of the Toledo Roadrunners Club, and Walt III).

In 1989 a group of influential Toledo Roadrunners revived the Glass City Marathon. The race was dedicated to the late Sy Mah, who had passed away in 1988.

In 2010, the Toledo Roadrunners Club returned to its historical roots and gave the event a new look and new energy. The results have been dramatic. The half marathon has sold out every year since the event's return to the University of Toledo and participation in the marathon, half marathon, marathon relay, and 5K races has continually grown.

This year, Mercy Health has partnered with us to become the title sponsor of the 2016 Glass City Marathon. Owens Corning remains the Half Marathon sponsor, Yark

Auto Group and Findley Davies are back as the Relay and Kids Marathon sponsors respectively.
