

## 2025 INSTRUCTIONS

### **RELAY LEGS (*rounded distances in miles*)**

Leg 1 = 3.1 // Leg 2 = 5.2 // Leg 3 = 6.8 // Leg 4 = 5.8 // Leg 5 = 5.5

A team of five (5) runners will complete the entire marathon distance/course.

The North Star BlueScope 5-Person Marathon Relay will begin on Bancroft Street in front of the University Bell Tower, running a clockwise route and returning to the start line before heading west into Ottawa Hills. The course then leads you to the area's finest Metroparks system utilizing the University Parks Trail. A tour through Sylvania leads you past Olander Park, home of the Sy Mah statue, then back to Wildwood Metropark, east onto University Parks Trail to a short tour of The University of Toledo campus, finishing inside the Glass Bowl Stadium.

Each runner will run one leg of varying distances, handing off the runner's belt with your team's scoring BIB/chip to the next team member at each relay exchange zone. All five (5) spots on your team must be registered in order to receive any team BIBs.

The course follows the same route as the marathon course, with the exception of Exchange Zones 2 and 4 where runners will break off the main course to make the exchange. Exchange zones will be marked with flags, vertical signs and cones. We strongly encourage each runner to know where the zones are and to remove headphones to hear announcements by course officials.

## PACKET PICKUP

Your entire relay team's packet must be picked up at the expo. You can pick up for others. Packets will include: one (1) team bib with timing chip and relay belt, and five (5) individual bib numbers (total of 6 bibs and 1 belt).

## TIMING CHIPS & BIBS

All team members are required to wear their individual race bib visible on the front of their torso. Your chip timing device will be attached to an additional BIB worn on a provided runner belt. Only one (1) runner belt will be provided to each team. The runner belt/BIB is to be handed off to your teammate at exchange points. Each team belt must be turned in to officials at the finish line.

# START TIME: 6:30 AM

Only your first leg runner will need to be in your assigned start line corral. Arrive with enough time to be in your corral comfortably before the start gun at 6:30am. Late starts will not be allowed.

## TRANSPORTATION

### BUS TRANSPORTATION

Relay teams must use the buses. There will be no vehicle passes distributed, nor any special access granted for private vehicles moving around the course. Please plan to use the bus transportation. For everyone's safety, strict adherence to course officials' and police directions must be followed.

Buses will transport teams to each exchange point from the starting line to the finish line. The buses will go from exchange point to exchange point following the course route. Buses only provide direct transportation back to the finish line from the last exchange point.

If you expect your runner to be quick, please board buses near the front of the lineup. If you're expecting a slower runner to complete their leg, please board a bus near the back of the lineup.

Teams are responsible for knowing the time-frame each runner is expected to show up at exchange points. **Buses are for relay teams wearing BIBs only. Spectators are not allowed on the buses.** All teams must show their relay race BIB to gain entry on each bus.

**Relay teams must take all of their belongings off the bus** when reaching each exchange point as you'll most likely not be boarding the same bus again. Alcohol is not allowed on buses.

Lastly, race day traffic will be heavy. Please be aware of possible delays and courteous to the people around you. Any disrespect towards a bus driver, volunteer, race official, fellow runner, or other spectator will not be tolerated. Your team will be disqualified immediately, and you will be responsible for finding your own mode of transportation from that spot.

## BUS TIMELINE

### Estimated Bus Schedule

Buses will line up on Douglas Rd, at University Hills beginning at 6:30AM to head to EP2.

- 6:30AM — Race starts.

### Exchange Point 1 – University Hills Blvd

6:45AM — Begin loading shuttles in a stagger fashion. Buses will begin departing for EP2 at 6:50AM.

7:45AM — The last shuttles depart EP1 for EP2.

### Exchange Point 2 – Minor Rd

First Arrivals by 7:00AM — Last Arrivals by 8:05AM

First Departure by 7:20AM — Last Departure by 8:40AM

### Exchange Point 3 – Cougar Lane

First Arrivals by 7:35AM — Last Arrivals by 8:50AM  
First Departure by 7:55AM — Last Departure by 10:15AM

#### **Exchange Point 4 – Wildwood Visitor Center**

First arrivals at 8:10AM — Last arrivals at 10:30AM  
First Departure to finish line at 8:25AM — Last Departure to finish line at 11:45AM

Final drop-off will be at the bus loop on University of Toledo Campus. To help ensure all relay participants have access to shuttles, the first buses returning to campus will head back on the course to transition exchange locations.

## **RELAY EXCHANGE**

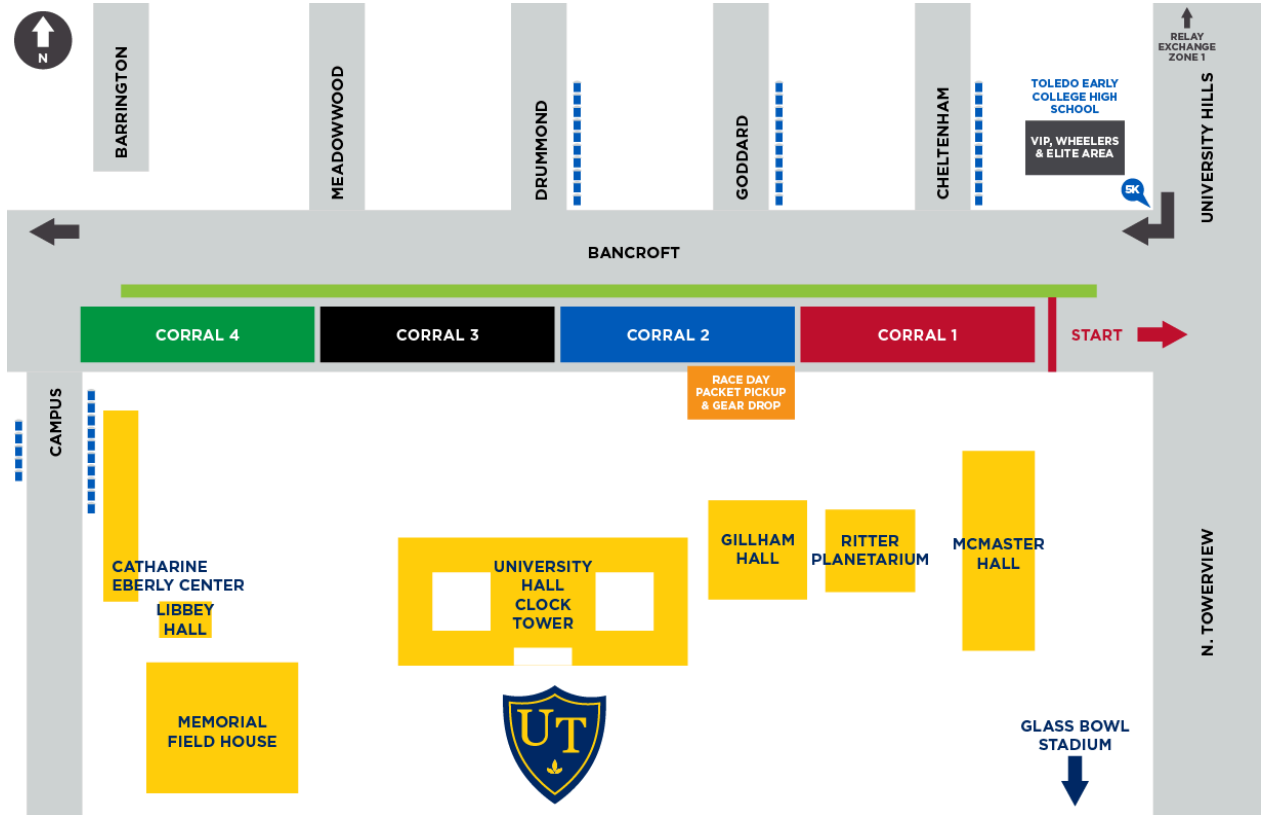

**Exchange Corrals are set up at each relay exchange point.** All team members must remain in or behind the corrals until their team member arrives at the exchange zone. Exchange points #1 and #2 can get very congested. Please be courteous to your fellow runners and make every attempt to keep the exchange zones and marathon course clear.

## **TIPS**

1. Due to increased police concerns and road permits, no vehicles will be allowed to bypass road closures, including relay participants. If you choose to drive yourself, you will not receive any special consideration and are responsible for your own routes and parking.
2. If driving yourself, drop off your first two runners on campus before 6:15 AM then immediately drive to the second exchange point. Roads begin closing after that, and you don't want to start the race by fighting traffic and barricades.
3. Bring food, water, and a change of clothes. Put one team member in charge of doughnuts and snacks.
4. Headphones are not recommended. They make it more difficult to communicate with teammates and volunteers. Every year, relay runners find a way to run the wrong route due to wearing headphones and not hearing volunteers directing them.
5. Plan to get off the shuttles at each exchange point to cheer for other runners while awaiting your team member's arrival, then back on with the newly arrived teammate to head to the next point.
6. Buses will follow the complete route before returning to the finish.
7. Cheer loud and bring your cowbell.

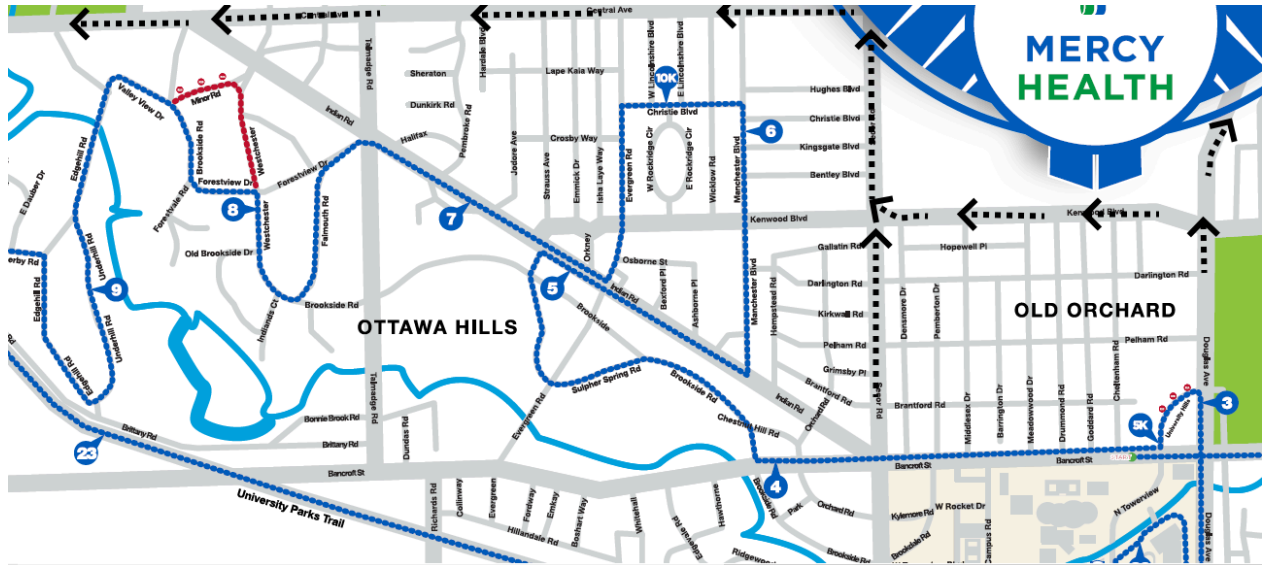

# EXCHANGE POINT 1 (3.1 MILE MARK)

**Location:** On University Hills Blvd., near the start line

# EXCHANGE POINT 2 (8.3 MILE MARK)

**Location:** The corner of Edgehill and Valley View Drive in Ottawa Hills. Park only at Epworth Church, on the south side of the building. Side street parking will not be allowed. Restrooms are available in Epworth parking lot. \*Epworth graciously opens their church to the runners every year. **If parking at the church, please clear the lot by 8:30 AM so it is open for Sunday services.**

**Directions:** From Exchange Point 1:

1. Go north to Central Avenue, turn left.
2. Continue west on Central Ave. about 2 miles to Epworth United Methodist Church
3. Buses will line up on Indian Rd, no cars allowed

## EXCHANGE POINT 3 (15 MILE MARK)

**Location:** On King Rd. at the entrance to Cougar Lane (Sylvania Southview High School) in Sylvania. Restrooms are available at this exchange point.

**Directions:** From Exchange Point 2:

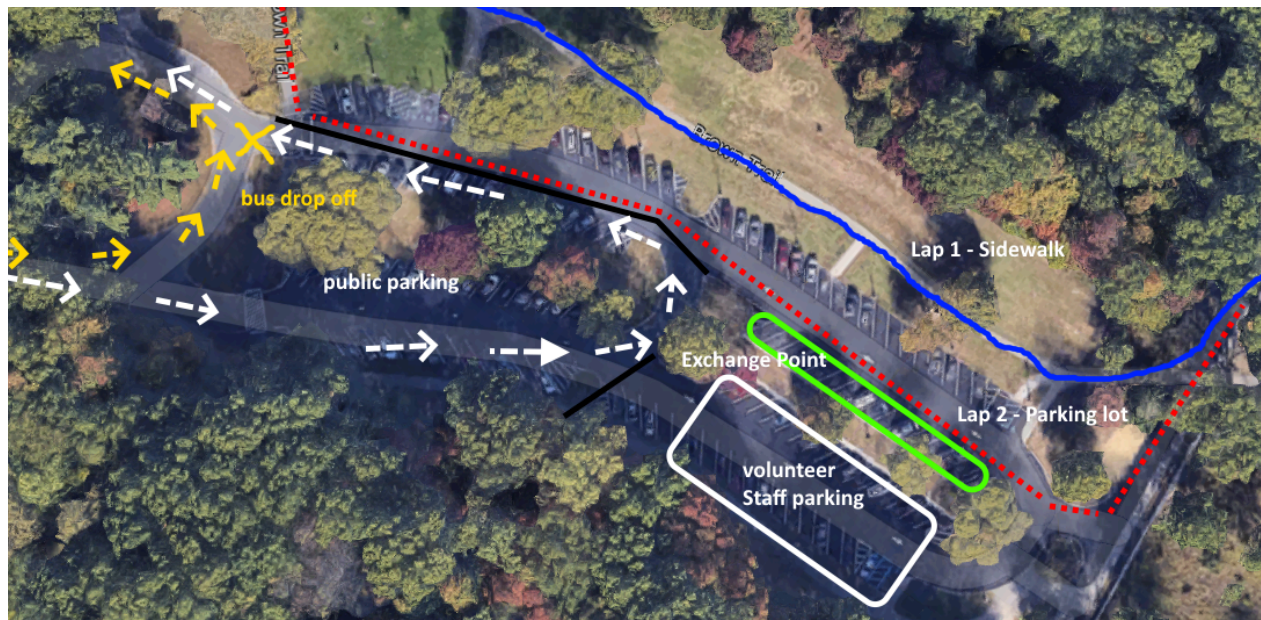

1. From the Epworth Church lot, turn right onto Central Ave.
2. Turn left on Corey Rd. and continue north to W. Sylvania Ave.
3. Turn left on W. Sylvania Ave. and continue about 3.2 miles to King Rd.

Buses will continue west on Sylvania Ave. to Sylvan Lakes Blvd. and park at the intersection of Sylvan Towne Rd and King Rd in the right turn lane of Sylvan Towne Dr.

# EXCHANGE POINT 4 (21 Mile Mark)

**Location:** Near the 21 mile mark in front of the Visitor Center at Wildwood MetroPark

Restrooms are available at the exchange point.

**Directions:** From Exchange Point 3:

Note: the main entrance to Wildwood will be closed until 8:30AM. If arriving prior to then, use the Service Entrance West of the main entrance.

1. From Kroger, travel south on King Rd. about 1 mile to Central Ave.
2. Turn left on Central Avenue
3. Continue east on Central Ave. for about 3 miles, then turn left into the maintenance entrance to Wildwood MetroPark.

**Directions:** To the finish at University of Toledo from Wildwood:

NOTE: Half marathon runners return to campus on Bancroft St which will be closed until about 11:00am. We recommend driving south to Dorr St.

1. Turn Right onto Central Ave.
2. Turn Left onto Reynolds Rd and go south about 1.7 miles to Dorr Street.
3. Turn Left onto Dorr Street and go East about 2 miles to Secor Rd.
4. Turn North, then park in lot 25.

# RELAY REUNION @ RALLY ROW

**Location:** Relay Reunion In Parking Lot 5 on the UT campus, near Savage Arena and mile 26 of the marathon course.

**Directions:** Lot 5 will have an open gate for entering the course as a team when your final runner arrives. **STAY TO THE LEFT SIDE OF THE CONES ON STADIUM DR.** and enter the stadium single file. Finally, be aware of individual runners wanting to pass and do not impede their progress.
