MADE POSSIBLE BY

# From Bob Baxter, president and CEO, Mercy Health - Toledo

## This is it! Race weekend!

Your training is over. Miles and miles of pounding the pavement are behind you. Now, the time has come to lace up your shoes and take your position at the start of the 48th annual Mercy Health Glass City Marathon.

This year's race marks the 10th year that Mercy Health has joined you in your journey to the finish line. Whether it's 3.1 miles, 13.1 miles, or the full 26.2, this route is yours to conquer. We believe in your preparation and your ability. Trust the process, give it your best, and most importantly,

enjoy the experience.

Mercy Health began caring for this community 170 years ago with the focus on supporting health and wellbeing for those we serve. We cannot think of a better way to honor that legacy than to partner with the Toledo Roadrunners to bring to life the Mercy Health Glass City Marathon and to help thousands of runners achieve their personal goals. From sharing health tips throughout your training to providing support along the course, we are excited to help you conquer your aspirations.

The Mercy Health team has your back as you take on this challenge. Nearly 100 members of our Mercy Health team – between EMS, orthopedics, sports medicine, physical therapists and members of one of the best running physical therapist teams in the country – will be there to make sure you stay safe.

As always, race day and all that comes before would not be possible without the dedication and hard work of the event organizers and volunteers. They are the true heroes of this event, bringing the energy and excitement that make the weekend unforgettable – from the vibrant expo to the celebratory after-party.

On behalf of the entire Mercy Health team and all our partners, we can't wait to cheer you on and see you cross that finish line. You've worked hard, and this day is yours to enjoy.

See you on the starting line.

Bob Baxter  
President and CEO  
Mercy Health – Toledo

Runner, Walkers, and Volunteers:

Owens Corning is pleased to sponsor the Glass City Half Marathon once again - one of the community events that Owens Corning employees most look forward to.

As a long-running sponsor, we've seen the event grow into one of the premier events of its kind in our community. We want all our people to be active and healthy, and we view our support of GCM as an important wellness initiative. Over the years, Team OC has grown right along with GCM, and this past year some 231 employees, families and friends participated in the race and another 95 volunteered. Our people take great pride in the company's presence at the event, especially being cheered on by our corporate mascot, the Pink Panther.

There's an additional aspect of our involvement with GCM that is just as important to our people: the attention our sponsorship brings to a cause we care deeply about. One of our strategic philanthropic areas of focus is safe, affordable housing. That's why Maumee Valley Habitat for Humanity is one of our key charitable partners. We participate in GCM to raise funds and awareness to support their vital work in our community.

So GCM is a way for Owens Corning to help our people actively engage with their own health, with friends and colleagues, and with the community. That's a powerful combination of great reasons to participate, and Team OC enjoys being part of the range of GCM events, from the half-marathon to the kids' race, the 5K, the relay, and the full marathon.

Events like GCM are part of why Toledo is a great hometown. Owens Corning has been here for 87 years, and we're proud to support events that strengthen our community.

Congratulations on building a great Toledo tradition.

Sincerely,

Don Rettig  
President, Owens Corning Foundation

Since 1971, the Glass City Marathon has grown into one of the premier racing events in the Midwest, attracting elite runners and dedicated athletes from across the country. This event not only highlights the beauty of our city but also underscores the power of perseverance, determination, and community support. Whether you are a seasoned marathoner, a first-time participant, or a passionate volunteer, your dedication contributes to making this race a truly special experience for all.

I want to extend my sincere gratitude to the Toledo Roadrunners Club, race organizers, sponsors, and volunteers who work tirelessly to ensure the success of this event. Your commitment and enthusiasm are the driving force behind the continued growth and excellence of the Glass City Marathon.

To all the runners, I wish you the best of luck as you take on this challenge. May your hard work and training be rewarded with an incredible race day experience. And to our supporters and spectators, thank you for cheering on these remarkable athletes—it is your encouragement that makes this event so meaningful.

Over the years, my staff and I have had the pleasure of running alongside new, intermediate, and professional runners, and I am happy to join again this year.

Once again, welcome to Toledo, we are so happy you are here. Thank you for being part of the 48th Glass City Marathon. Let's make this another unforgettable year!

## Welcome!

Thank you for joining us at the 2025 Savage 5K!

We're thrilled to be a part of an important event that helps strengthen our communities.

This is the largest spring 5k in our region, and It is always a joy to see so many people of all ages taking part in this event that features walkers, joggers and runners. It's exercise, community, and togetherness, and so much more.

Savage has a team of more than 170 associates, and we encourage a lifestyle that strives toward taking care of your body and mind. That's why an experience such as Savage 5K is so important. This is one of many initiatives throughout our calendar year.

Thank you again for your participation!

## WELCOME RUNNERS

Welcome to the 48th annual Mercy Health Glass City Marathon (MHGCM). We're excited to see the community coming together, once again, to celebrate camaraderie through running and healthy lifestyle choices. For many of us, daily runs and walks serve as a relaxing way to unwind and recharge and I'm excited to celebrate the benefits of daily exercise throughout this exciting weekend.

From the Savage 5k and Nationwide Children's Kids Run on Saturday, to the Owens Corning Half Marathon, Mercy Health Glass City Marathon, and the North Star BlueScope 5-Person Relay on Sunday, there is a race for every age and ability. Be sure to stop by the PNC PR Bell to take a picture and celebrate your race weekend accomplishments.

The marathon course is known for being one of the 25 fastest courses in the nation and is a qualifier for the Boston Marathon. Runners from all over the world travel to Toledo to take part. If you are not a resident of northwest Ohio, we hope you find our city welcoming and you take a little time to enjoy some of the fine restaurants and attractions Toledo has to offer.

PNC is proud to be the Official Bank of the Mercy Health Glass City Marathon. Employees participate each year as runners and volunteers through PNC's Commit 2 Be Fit program which is focused on boosting interest in health and wellness initiatives. We invite all runners to #RunWithPNC.

We wish you all the best as you take part in the Mercy Health Glass City Marathon. Live healthy, have faith, and as always, best regards,

*Bill*

# DAVE'S PACERS

REACH YOUR GOAL BY RUNNING WITH EXPERIENCED PACERS

**Y**ou've been training for months and on race day you'll have an experienced leader to get you through the race. Whether this is your first marathon or you've completed several, running with our Pacer will help you stay on track and

maintain your focus during the toughest parts of the day.

Again this year, Dave's Running Shop will be providing all of the experienced pacers, over a wide range of times, including many of the Boston qualifying standards.

Look for Pacer shirts in the corral

you're assigned. Each pacer will be holding up a sign, and have a bib on their back with their goal time on it. Stick with them throughout the race and you'll get to the finish line on time.

Pacers are friendly and open to answering questions as you reach moments of uncertainty.

## MARATHON

Dave's Spring Marathon In-Training delivers the benefit of personal coaching, experienced staff, physical fitness partners and a 16-week training plan designed to assist everyone in achieving their goal. The marathon and half marathon programs begin the first week of January and run through April. Each level of the program offers dedicated coaches, unique pace groups and a proven training plan that factors in individual fitness levels. The 8-week 5k program begins in March and is great for walkers, beginners and experienced runners alike. Over 500 participants take part in the program annually.

## FAQS

REVIEW DETAILS THAT'LL HELP YOU HAVE THE BEST EXPERIENCE

### WILL MY WATCH MATCH RESULTS

Our course distances are certified to length by USATF standards. Personal GPS tracking on your watch increases variance and most runners will not run true/perfect tangents to maintain the most accurate reading either. When moving around other runners, changing lanes for water stops, gel, port-a-johns, additional mileage is being accrued over the measured course. It's not unusual to see variances in GPS distances from .2 to .5 and sometimes more, depending on the length of the race and how "on course" one stayed.

We begin tracking your time when you cross the start mat, and at split points throughout the course. Your time stops when you cross the finish mat. Be sure to cross all mats on the course to help ensure your time displays accurately and in official results.

YOU'LL RECEIVE YOUR COMMEMORATIVE GLASS MUG ON YOUR WAY FROM THE GLASS BOWL TO CELEBRATION VILLAGE.

# STADIUM DR VIEWING. BRING COWBELL!

## A FRONT ROW TO THE ACTION

Lot #10, just outside of the Glass Bowl Stadium is where all the amenities are to complement your post-race experience. From bag pickup and Dave's official merchandise tent and a first-look at this year's awards, as well as shirt

exchange and lost-n-found at the Toledo Roadrunners trailer. Plenty of space is available for lounging and cheering for finishers coming up the Stadium Dr. final stretch.

### AWARDS CEREMONY

SUNDAY Lot 10 on Stage

HALF MARATHON: 9:00AM  
MARATHON: 10:00AM

Age group awards will be customized and mailed to each recipient after the finalizations of official results.

We'll send out an email and post on social media to remind winners when to expect their arrival.

### ITAG FINISHER MEDAL

A custom medal insert engraved with your name and event finish time helps you commemorate, share and celebrate your amazing achievements. iTags will be personalized and direct shipped to your home post race.

## GCM CELEBRATES WOMEN RUNNERS

### FOUR WOMEN RAN THE FIRST GLASS CITY MARATHON IN 1971

Fifty years ago in 1972, the running industry allowed the first woman to run in a major marathon. Prior to that, women were considered “too fragile” to run. Well, look how far we’ve come! Today, women make up nearly 50 percent of all marathon participants in the U.S. – making American female runners the highest participants in the world. Locally, the Mercy Health Glass City Marathon is also noting this memorable event by highlighting many of the women in the elite field.

**KATHRINE SWITZER: FIRST WOMAN TO ENTER THE BOSTON MARATHON – 1967**

*“If I don’t finish this race, then everybody’s going to believe women can’t do it and they don’t deserve to be here, that they’re incapable. I’ve got to finish this race. I finished in four hours twenty minutes. That race changed my life.” – Kathrine Switzer*

THANK YOU FOR YOUR SUPPORT

It's our 48th year of making history in the running world. This is a milestone we're proud of, but we've also got our eyes on what's to come; looking forward to improving every aspect of what we do by presenting the Mercy Health Glass City Marathon as something that benefits northwest Ohio well into the future.

**PAST. PRESENT. FUTURE.**  
From our continued collaboration with Partners for Clean Streams and Keep Toledo Lucas County Beautiful on making GCM a fully Green event, and the over \$1.1M we've been able to donate to local charities since 2009, to our focus on making this event and lifestyle accessible to runners, walkers and wheelers of all ages and abilities, we are committed to continually improving.

Our mission is to be good stewards of what was here before us, so that it will be here long after our time is done.

We "Run Glass City" in honor of Sy Mah and all those here before us, and for the next generations of runners they envisioned.

MORE TO DO.  
MORE TO DISCOVER.  
MORE TO ENJOY.

Sy Mah was a world-class marathon enthusiast who is remembered for his listing in The 1989 Guinness Book of World Records as having completed a record number of 524 marathons. Sy's encouragement to other marathoners, struggling to complete the 26 mile and 385 yard course, is symbolized by the message stenciled on the back of his running T-shirt:

*Hi!  
I'm Sy  
Say Hi  
As you go by  
And don't die*

Born Thian K. Mah on August 2, 1926 in Bashaw, Alberta, Sy began his running career in Canada. His memory is honored there at the annual 24-Hour Race in Ottawa with the awarding of the Sy Mah trophy to that runner who completes a minimum 100 miles while running at the most even pace, the hallmark of Sy's running style. The trophy is shaped to resemble an hourglass, symbolic of even timing.

During his teaching career as a physical education instructor at The University of Toledo (1970-1988), Sy encouraged novice runners, advised marathoners, and also mentored several pioneering female ultramarathoners. The Glass City Marathon has been run annually in Toledo as a tribute to his memory.

Sy ran more than sixty ultramarathons (any distance greater than a marathon); however, he counted each one of these ultramarathons as only a single marathon in his record setting total. The USATF National Championships 24-Hour Run which has been held in Olander Park had its roots in a local race Sy inaugurated.

Thomas Lingeman, Professor of Art at the University of Toledo, was commissioned by the Toledo Roadrunners Club to create the statue. This memorial was made possible through contributions from Sy's family, friends, and the many runners who fondly remember him. The Board of The Olander Park System generously provided the site.

UNITED FOR RUNNERS

# THANK YOU SPONSORS

An event of this size would not be possible without the tremendous support of our many sponsors, partners and vendors.

We work hard to find organizations looking to be a part of the lifestyle in more ways than simply financially. Our sponsors become immersed in the running way of life and look forward to being involved on race day. Because of this commitment by our sponsors and community partners, we're able to provide all participants with a hometown experience that will live on forever.

success for many years. Some have even been supporters since the first Glass City Marathons ever run. We thank them all. We could not do this without their continued passion.

And we cannot go without thank all of the hardworking first responders and the city leadership for working together and keeping us all safe.

## SUPPORT THEM TOO

Each sponsor is active in bettering our community, so when you're looking for someone in their field, we hope you'll consider reaching out and supporting them too.

## EVERYONE IS SPECIAL

From our title sponsors, to in-kind service providers, media and product sponsors, each one you see listed has been a part of Mercy Health Glass City Marathon's continuing

## WE'RE BETTER TOGETHER

It takes thousands of people, countless hours, sleepless nights and tremendous backing to create a running experience that will have participants looking forward to the next time. In Toledo, we're lucky to be supported by many local organizations who strive to keep Toledo moving forward together. Thank you to all the sponsors of this year's Mercy Health Glass City Marathon.

April 27, 2025

On behalf of the Toledo Roadrunners Club, I would like to welcome you to the 48th Mercy Health Glass City Marathon! This weekend's event invites everyone, whether you are aiming for a personal best, participating in your first race, or simply looking to enjoy quality time with family and friends.

Whether you're running in the marathon, tackling the Owens Corning Half Marathon, joining the North Star Bluescope 5-Person Marathon Relay, participating in the Savage 5K, or taking part in the Nationwide Children's Hospital Kids' Run events, we can't wait to see what you will achieve this weekend.

From the moment you arrive for packet pickup at the Tom Falvey Health and Fitness Expo at Savage Arena to the moment you cross the finish line, we are committed to enhancing your race weekend experience. Our management team, led by Race Director Clint McCormick, has worked diligently to ensure a smooth event by implementing necessary safety protocols. This guarantees a safe and enjoyable experience for participants, their supporters, volunteers, and contractors.

Please remember to thank our volunteers and charitable organizations for making the Mercy Health Glass City Marathon weekend a success and eco-friendly by reducing unnecessary waste and promoting recycling efforts.

I would also like to recognize Mercy Health, our title sponsor, for ten years of unwavering support that has significantly contributed to our growth and success of this event.

Finally, I would like to take this opportunity to extend my sincere gratitude to our sponsors, neighboring municipalities, Metropark systems, and dedicated volunteers. Your steadfast commitment and support are the cornerstone of this event's success. Congratulations to all who contributed to the achievement of this weekend's objectives. We greatly appreciate your efforts and partnership.

Best of running.

President  
Toledo Roadrunners Club

# WEATHER SAFETY

The Mercy Health Glass City Marathon will be held rain or shine. We work closely with our on-site Meteorologist from Channel 11 and the National Weather Service, as well as the Mercy Health Medical Director to maintain a safe environment for everyone. Runners are advised to check WTOL 11 Weather for forecasts and our official app for notifications and to be prepared. Extra layers of clothing

worn at the start may be discarded at the bag drops at each starting line. The Mercy Health Glass City Marathon reserves the right to cancel, delay or change the race to a non-scored run in case of extreme weather or other conditions affecting the safety of the participants. A flag system will be used along the course (at aid stations) to alert you to weather conditions.

## **GREEN FLAG = LOW RISK**

Risk is low, but once again you should be careful of symptoms of heat stress. You also need to be cautious of changing weather conditions.

## **YELLOW FLAG = MODERATE RISK**

Heat stress is less, but one must be cautious as the level of stress will most likely increase during a morning race.

## **RED FLAG = HIGH RISK**

All runners should slow their pace and those with previous heat stress problems or heart disease should consider not running.

## **BLACK FLAG = EXTREMELY HIGH RISK**

All runners should slow their pace and those with previous heat stress problems or heart disease should consider not running.

## **WHITE FLAG = RISK OF HYPOTHERMIA**

The risk of hypothermia is very low, but still exists especially in slow runners or in wet and windy conditions.

# THANK YOU

Each year, I pen a letter thanking the community and talking about the Mercy Health Glass City Marathon. As I write my letter this year, looking at a photo of my newborn daughter who is now 16 and maturing into a young lady, I pause to look back and reflect on my first year as race director in 2009.

As I reminisce on how she has grown, I recognized how this event has itself grown. It has been my privilege to develop, enhance, and nurture the Mercy Health Glass City Marathon over the last 17 years.

With the help of a dedicated team, what was a local club run in 2008, we were able to evolve this run into a nationally recognized, award winning marathon event.

Together, we developed a far reaching ambassador program, an elite runner program, and procured relationships with local businesses and the nonprofit community that translated into significant membership and financial growth of our Toledo Roadrunners Club.

During this time, I have served nine club presidents, and as of January 2025 am into the 10th leadership change. Each administration had their own leadership style, but all have embraced the shared vision laid out for the Mercy Health Glass City Marathon.

Over the past 17 years we have faced many challenges together. In 2013, the national running community and marathon events felt the tragedy in Boston, after which the development of MCI plans were implemented and the involvement of Homeland Security protocols were put in place. 2016 brought a sponsorship change, now in its tenth year, that cemented the medical planning and enhanced community engagement with Mercy Health. 2020 brought the COVID pandemic, through which the actions and systems developed out of this challenge, I was awarded the Race Director of the year from Road Race Management. Shortly after, the Road Runners Club of America granted the National Championship designation to our marathon event in Toledo.

During this time I have been humbled to develop many personal relationships. Some have become mentors, all have become friends. Lead by integrity, a vision for the future, and passion for the endurance industry driving me, I strive to produce the highest quality experience possible for all athletes, from near and far.

I want to again thank everyone for this great experience that has helped shaped a community, changed lives, and brought generations of runners together for a common goal of reaching the finish line. That's where you will find me, steadfast and preparing for the future where I will strive to produce the best running experience possible.

Yours in Running,

Clint McCormick, MBA  
Race Director
